

If you are renting your house or apartment, authorization is required from your landlord before we can proceed with any installation or service changes. Please print the attached form, ask your landlord to sign it, and **give it to the technician at the time of installation** . The completed authorization form is required if you are adding new service **outlets** or moving existing service **outlets** only.

Renter Authorization

In order to establish cable, high-speed Internet and/or telephony service with Cox Communications, subscribers residing in a rental property must complete this form and arrange for the homeowner or property manager to authorize the installation of such services by signing below.

Subscriber / Renter Information

Customer Name:	Date:
Account Address:	
Home Phone:	Work Phone:
Homeowner* Information	
Homeowner Name:	
Homeowner Address:	
Home Phone:	Work Phone:

By signing below, homeowner authorizes Cox Communications to install cable, high-speed Internet and/or telephony service to the rental property described above. Homeowner acknowledges that installation of such service(s) may require Cox Communications to bury cable, fiber or other plant and/or attach wiring, brackets and other hardware to the property's exterior and/or interior. Homeowner also acknowledges that Cox Communications is not responsible for removal of such hardware, nor is Cox Communications responsible for restoring the property to its original condition upon termination of the account.

 Homeowner Name (Please Print)

 Homeowner Signature

Cox Communications
11505 West Dodge Road
Omaha, NE 68154

* Property manager may authorize installation of services on behalf of the property owner.
